

Stevens Memorial Library Offers Tech & Tablet Office Hours

Bring your tablets and mobile devices to the Stevens Memorial Library, 20 Memorial Drive, Ashburnham, to get your technical questions answered in person! Library Assistant Margaret French will be available in the Reference Room on Fridays from 10:30 a.m. to 12:30 p.m. to help you solve your device problems, or even just to give a crash course on tablet basics.

For most efficient support, email your questions in advance to mfrench@ashburnham-ma.gov, but drop-ins are also welcome! If Fridays do not work for your schedule, contact Margaret by phone at (978) 827-4115 or email her to schedule a separate appointment.
